INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF DBS FINANCIAL SERVICES PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **DBS FINANCIAL SERVICES PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March 2022**, and the Statement of Profit and Loss, Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and **loss** and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

Note 37 to the financial statements, regarding the management's impairment assessment of property, plant and equipment, intangible assets, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company as at 31 March 2022 being considered unimpaired/recoverable based on its internal and external sources of information and estimates, and its judgments on implication expected to arise from COVID-19 pandemic. This being an unprecedented event which is difficult to estimate, the actual implications could vary. The economic/social consequences of this event are impacting the very operation of the hotel and consumer demand.

Our opinion is not modified in respect of the above matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

The financial statement of the company for the year ended 31st March 2021 were audited by the predecessor auditor, R. Jain & Co., Chartered Accountants, who have expressed an unmodified opinion on those financial statements, vide their audit report dated 5th November 2021.

27 Contingent Liabilities

- (A) Disputed tax liabilities including fringe benefit tax contested by the Company Rs. 0.12 lakhs (previous year Rs. 0.12 lakhs against which the Company has deposited Rs. 0.45 lakhs (previous year Rs. 0.45 lakhs). However, no provision is considered necessary in view of the divergent decisions given by the appellate authorities in the Company's own case. The appeals filed by the company have been disposed of for AY – 1993-94, AY – 1994-95, AY – 1995-96, AY – 1997-98, AY – 1998-99, AY – 1999-00, AY – 2001-02, AY – 2003-04, AY – 2004-05, and AY – 2005-06 and restored to the file of Assessing Officer for making assessment afresh for which appeal effect is not yet given. The Company has also made applications for rectifications of errors for various years, which are pending. The Company is holding provision of Rs. 428.17 lakhs (Previous Year Rs. 428.17 lakhs) for the above years against which payment of Rs. 423.36 lakhs (Previous Year Rs. 423.36 lakhs) has been made. Necessary adjustments would be made on finalization of fresh assessment and disposal of rectification applications made by the Company.
- (B) i) Disputed Property Tax Liabilities of DBS Heritage House, Mumbai contested by the Company for the years from 2000-01 to 2009-10 is Rs. 63.48 lakhs (Previous Year Rs. 63.48 lakhs). The Company had filed suits against Mumbai Municipal Corporation regarding the erroneous increase in ratable value for the year 2000-01, 2001-02, 2002-03 and 2003-04. Out of these matters suit filed for 2000-01 was decided against the company. The Company has therefore filed a suit in the Honorable High Court – Mumbai challenging the order of the Honorable Small Causes Court. However, this is not yet admitted. With regards to cases filed for the year 2001-02, 2002-03 and 2003-04 the Honorable Small Causes Court of Mumbai had passed orders on 16/09/2015 accepting our appeal partially. Municipal Corporation is yet to serve fresh demand with respect to the said matters.
- ii) Company's immovable property at DBS House, Mumbai, is a leasehold property for which a lease of 99 years was granted by the Collector of Mumbai, in earlier years. The said lease expired in the year 1991. Through various correspondence and intimations issued since 1988, the Company has requested for further renewal of the lease, but nothing progressed at Collector's end. The Company received a demand notice from the office of the Collector of Mumbai in 2019 requiring it to pay renewal dues and penalty for delay aggregating to Rs. 2.17 crores. The Company disputed the demand as the penalty was unlawful and contrary to the law on this issue as settled by the Hon'ble Bombay High Court. After the representations made by the Company from time to time, the Collector passed an order on 25th February, 2022 determining a demand of Rs. 321.41 lakhs towards the lease rent from the period from 1st January, 2012 till 31st December, 2022 and property transfer charges. The Company disputed the said exorbitant demand and filed an appeal being appeal No. 119 of 2022 before the Maharashtra Revenue Tribunal on 22nd March, 2022. The Maharashtra Revenue Tribunal passed an interim order on 29th March, 2022 and directed the Company to deposit Rs. 35.00 lakhs by way of interim payment pending determination of the final liability and stayed the operations of the Collector's order dated 25th February, 2022 till then. The Company has deposited the said Rs. 35.00 lakhs after the close of the financial year. Pending determination of the final liability and adjudication of ascertainment of final amount payable for the said renewal of lease, no provision has been made in respect of demand raised as above in the books for the year ended 31st March, 2022 as the Company is hopeful that the demand will get reduced to the extent of the unlawful charges levied.
- iii) Municipal Corporation of Greater Mumbai has issued revised property tax bills for the differential amount of Rs.79.38 lakhs (Previous year Rs. 79.38 lakhs) with respect to Company's property

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF DBS FINANCIAL SERVICES PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **DBS FINANCIAL SERVICES PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March 2021**, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and **profit** and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

Note 36 to the financial statements, regarding the management's impairment assessment of property, plant and equipment, intangible assets, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company as at 31 March 2021 being considered unimpaired/recoverable based on its internal and external sources of information and estimates, and its judgments on implication expected to arise from COVID-19 pandemic. This being an unprecedented event which is difficult to estimate, the actual implications could vary. The economic/social consequences of this event are impacting the very operation of the hotel and consumer demand.

Our opinion is not modified in respect of the above matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because

the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

DBS Financial Services Private Limited

Notes to the financial statements for the year ended 31st March, 2021

1. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation of Financial Statements

The Financial Statements have been prepared on historical cost convention. The Company follows the Mercantile System of Accounting. The Financial statements are prepared in accordance with Accounting Standards under Section 133 and other relevant provisions of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

b) Use of Estimates

The Preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Example of such estimates include provision for doubtful debts, employee benefits, provision for income taxes, the useful lives of depreciable fixed assets and provisions for impairment.

c) Revenue Recognition

The Company derives revenue primarily from running executive centers and dealing in shares and securities.

The Revenues are recognized on pay and use basis in respect of which bills are raised.

Inventories are valued at lower of cost or net realizable value.

d) Fixed Assets

Fixed Assets (other than such Land & Buildings which have been revalued and are stated at re-valued figures) are stated at their original cost less sales where cost is unascertained less Depreciation. Additions to Fixed Assets include transfer from Capital Work in Progress on completion of respective Capital Assets.

e) Depreciation

(i) Depreciation on fixed assets is provided on written down value method over the useful life of assets as specified in Schedule II to the Companies Act, 2013. In case of fixed assets which are added/disposed off during the year depreciation is provided on pro-rata basis with reference to the month of addition/deletion.

(ii) Intangible assets are written off over a period of 10 years in ten equal installments.

f) Impairment

In accordance with Accounting Standard 28 – Impairment of Assets, the carrying amount of the Company's assets including intangible assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated, as the higher of the net selling price and the value in use. Any impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount.

DBS Financial Services Private Limited

Notes to the financial statements for the year ended 31st March, 2021

g) Investments

Long Term Investments are valued at cost. Provision for diminution in value is made, if in the opinion of the management, such a decline is considered not temporary. Other investments are valued at cost or fair value whichever is lower.

h) Employee Benefits – Gratuity / Retirement Benefits

The Company provides the liability for gratuity and unutilized privilege leave based on actuarial valuations and requisite disclosures as required by AS15 revised Employees benefits are given in the financial statements.

i) Borrowing Costs

Borrowing costs that are directly attributable to and incurred on acquiring qualifying assets (assets that necessarily takes a substantial period of time for its intended use) are capitalized. Other borrowing costs are recognized as expenses in the period in which same are incurred.

j) Accounting for Taxes on Income

Taxes on income are accounted for in accordance with Accounting Standards 22 on "Accounting for Taxes on Income". AS-22 issued by the Institute of Chartered Accountants of India. Tax expense comprises both, current and deferred tax. Current Tax is measured at the amount expected to be paid to/recovered from the Income Tax authorities using the applicable Income Tax rates. Deferred Tax assets and Liabilities are recognized for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using enacted tax rates.

k) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized for present obligations of uncertain timing or amount as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not possible that an outflow or resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability, unless the probability of outflow or resources embodying economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain events are also disclosed as contingent liabilities unless the probability of outflow of resources embodying economic benefit is remote.

26 Contingent Liabilities

- (A) Disputed tax liabilities including fringe benefit tax contested by the Company Rs.11,780/- (previous year Rs. 11,780/-) against which the Company has deposited Rs. 44,814/- (previous year Rs. 44,814/-). However, no provision is considered necessary in view of the divergent decisions given by the appellate authorities in the Company's own case. The appeals filed by the company have been disposed of for AY – 1993-94, AY – 1994-95, AY – 1995-96, AY – 1997-98, AY – 1998-99, AY – 1999-00, AY – 2001-02, AY – 2003-04, AY – 2004-05, and AY – 2005-06 and restored to the file of Assessing Officer for making assessment afresh for which appeal effect is not yet given. The Company has also made applications for rectifications of errors for various years, which are pending. The company is holding provision of Rs. 4,28,16,628/- (Previous Year Rs. 4,28,16,628/-) for the above years against which payment of Rs. 4,23,36,221/- (Previous Year Rs. 4,23,36,221/-) has been made. Necessary adjustments would be made on finalization of fresh assessment and disposal of rectification applications made by the Company.

- (B)
 - i) Disputed Property Tax Liabilities of DBS Heritage House, Mumbai contested by the Company for the years from 2000-01 to 2009-10 is Rs.63,47,502/- (Previous Year Rs.63,47,502). The Company had filed suits against Mumbai Municipal Corporation regarding the erroneous increase in ratable value for the year 2000-01, 2001-02, 2002-03 and 2003-04. Out of these matters suit filed for 2000-01 was decided against the company. The company has therefore filed a suit in the Honorable High Court – Mumbai challenging the order of the Honorable Small Causes Court. However, this is not yet admitted. With regards to cases filed for the year 2001-02, 2002-03 and 2003-04 the Honorable Small Causes Court of Mumbai had passed orders on 16/09/2015 accepting our appeal partially. Municipal Corporation is yet to serve fresh demand with respect to the said matters.

 - ii) Company's immovable property at DBS House, Mumbai, is a leasehold property for which a lease of 99 years was granted by the Collector of Mumbai, in earlier years. The said lease expired in the year 1991. Through various correspondence and intimations issued since 1988, the Company has requested for further renewal of the lease, but nothing progressed at Collector's end. The Company received a demand notice from the office of the Collector of Mumbai in 2019 requiring it to pay renewal dues and penalty for delay aggregating to Rs. 2.17 crores. The Company disputed the demand as the penalty was unlawful and contrary to the law on this issue as settled by the Hon'ble Bombay High Court. No adjudication has been made on the said demand notice till date. Instead, the Company received a new demand notice dated 28th September 2020 for payment of Rs. 2.35 crores towards renewal dues and premium on account of unearned income. The Company has once again disputed this claim as being ultra vires and contrary to the Hon'ble Bombay High Court's ruling on the issue of law involved. The Company's representation against the latest demand notice made through a renowned firm of solicitors and advocates is also pending before the Collector of Mumbai. Pending adjudication of the said demand notice and ascertainment of final amount payable for the said renewal of lease, no provision has been made in respect of demand raised as above in the books for the year ended 31st March, 2021 as the Company is hopeful that the demand will get reduced to the extent of the unlawful charges levied.

 - iii) Municipal Corporation of Greater Mumbai has issued revised property tax bills for the differential amount of Rs.79,38,423/- (Previous year Rs. 79,38,423/-) with respect to company's property situated at DBS Heritage House, Mumbai, based on Capital Value with retrospective effect, i.e. from April 01, 2010 to March 31, 2014. Company has filed objections vide its letter dated January 17, 2013 which are pending for final disposal. No provision has been made in this regard as the same is disputed against which payment of Rs. 39,69,212/- (Previous year Rs. 39,69,212/-) has been made.
